There are some changes and some very **big news** to share regarding our 2019 season which I will highlight with a bulleted list below:

1. **Entry Fees for 2019 have been reduced from \$375 for a single MARRS entry to \$350**
2. Some run groups have been changed/combined and classes moved, see below.
3. Changes have been made to the MARRS points specifically for points awarded (also changed drops) at the VIR event.
4. Race sessions will end when a maximum time has elapsed although the planned lap limit may not have been reached.
5. The advanced purchase discount program from last year has been revamped and will be offered again in 2019.
6. Qualifying and Heat (Saturday) and for some Feature race (Sunday) length has changed giving **more track time**.
7. **Entry Fees for 2019 have been reduced from \$375 for a single MARRS entry to \$350**

2019 race groups - The order will vary (rotate) from event to event, PLEASE read the Supps for each event.

2019 Tech Days - avoid the lines - come out to get your car's safety and tech inspection before the season starts. Two opportunities to get your annual signature and be ready for MARRS:

Saturday, March 9th

DC Region SCCA HPDE/Track Event
Summit Point Motorsports Park, Summit Point, WV
Main Circuit
1:00pm - 4:30pm

Saturday, March 16th

RP Performance, Gasoline Alley
Summit Point Motorsports Park
Summit Point, WV
304-728-6749
9:00am - 1:00pm

Please remember that if your vehicle received a tech inspection last season it is valid for 1 year from that date. If the vehicle was inspected in August of 2018 it isn't due again until August 2019. Your personal protective gear will require a current inspection prior to the first event of the season.

For more information on the changes you may [review the notes](#) from the two pre-season planning meetings.

There will be additional exciting news to share in upcoming announcements so *stay tuned* and ALWAYS read the supps for each event for more important information.

A successful 2019 season would not be possible without the dedicated effort and commitment of all of those who contribute to make it happen. Thank you to all of the members of your Road Racing Committee for their time and effort during the off-season to plan a fantastic 2019 racing season.

Lastly, I want to thank the entire Washington DC Region Board of Directors for their help and support making it possible to REDUCE entry fees for 2019.

Director of Road Racing, Washington DC Region SCCA - Volunteer
